Hong Kong SAR

AFCD seized endangered European eel fry

The Agriculture, Fisheries and Conservation Department (AFCD) seized 53 kilograms of eel fry, including that of regulated species at Hong Kong International Airport yesterday (March 14).

Hong Kong Customs intercepted a shipment declared as 353 kilograms gross weight of the African longfin eel (*Anguilla mossambica*) from Mauritania to Hong Kong via Turkey. Upon examination by the AFCD, the shipment was found to be eel fry and the regulated European eel (*Anguilla anguilla*) was found blended in the shipment. A total of 53 kilograms of eel fry was seized under the Protection of Endangered Species of Animals and Plants Ordinance (Cap. 586) for further investigation as a result.
